Successful Active Aging Athletes Recognition: Special "Well Aged with RxExercise" recognition for athletes in their 40s, 50s, 60s, 70s, 80s & 90's. Calculate your "Real Age" at www.realage.com and, if you like, tell us in your registration form what your "Real Age" is for us to recognize and celebrate.

Note: "Real Aging" for physically fit & athletic individuals after age 40 is slowed to ¼ the rate of "Usual Aging" effects in sedentary individuals. Active athletes are really younger than their chronological years and happier/healthier/younger than sedentary individuals. Share your youthfulness: Share your RxExercise with others.
